## From the East...

Welcome, my Brethren, to 2008. I hope that the new year finds you and yours all healthy and happy. And if not, I hope you can find the road to health and happiness sometime very soon. It may not be an easy road, but believe me, it is well worth the trip. Personally, my road to health continues. I will be going in to Portsmouth Naval Hospital on January 17th to have my ostomy reversed. Brother Ron and Brother Bill have promised me they won't make too many changes in my absence. I feel confident that they will take good care of the lodge and all of you during my down time.

Busy, Busy, Busy. That is the best way to describe the beginning of this year. We have already lost a brother. Clarence Albert "Mike" Flanagan, Jr passed away on December 18<sup>th</sup>. His widow, Doris, and the rest of the family were extremely grateful for the support the lodge showed during their difficult time. Please keep them in your prayers. My thanks to the brethren that attended his funeral. It was a nice showing considering the time of year.

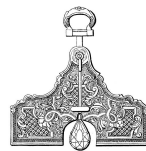

The District Deputy visits us tonight. It is truly an honor to receive Right Worshipful Chad White at our first stated communication of the year. I look forward to working with him through out the year. He is very enthusiastic about his duties and I have pledged the full support of Kempsville Lodge to his endeavors. Next up is the Grand Master, Most Worshipful Edmund Cohen. He has selected Kempsville to host his tiled visit to the district at our February stated. I look forward to receiving him and allowing him to conduct his town hall meeting with the brethren of the 56th. Do not be afraid to ask him anything. He is very open to discussion and ideas. Put on your thinking caps and come up with some interesting topics to discuss with him.

In closing, I would like to thank all of the Past Masters who attended the breakfast. I received a great deal of feedback both during and after the meeting. I believe in my heart I got most of my points across about what I would like for the lodge to accomplish during this year. I did leave out one thing. I have tasked our Senior Warden to investigate the feasibility of conducting a Child ID Program. I saw information on it at Grand Lodge and Ron agreed to check in to it. It is a priority of the Grand Master and I believe it is something we can easily support. More of that to come.

Again, Happy New Year to you and yours. May it be prosperous for all.

Fraternally,  
Brother Adam Green, WM

## From the West...

Hello my good brethren of Kempsville Lodge #196. As I type this contribution to the first Rough Ashlar of 2008, I am actually in Jacksonville, Florida, visiting with my brother-in-law and getting ready to attend the Gator Bowl. I imagine that many of you, like myself, are taking in the holiday troika of family, friends, and football!

While the main focus of the December issue of the Rough Ashlar was to review the successes of the past year, this issue will primarily be centered on detailing those events to which we look forward in 2008. We will have all of the Kempsville standards such as the Bull Roast, Family Picnic, Junior and Senior Warden Nights, as well as some surprises. As Senior Warden my primary duty will be to assist Worshipful Adam in any way he deems necessary to make the lodge run smoothly. Additionally, I will

put forth my best effort to see that “none go away dissatisfied.”

Once again I would like to congratulate our Junior Past Master, Worshipful Roger Cort, on an excellent year of leading the lodge in 2007. He proved to be a diligent and dedicated leader who adeptly ruled and governed his lodge. Thanks Roger!

In closing, I will end with my traditional piece of Masonic trivia. In 1920, Gates City Lodge #522 in Kansas City, MO, met every day of the week except Sunday to confer a record 1,107 degrees, averaging 21 degrees a week!

Fraternally,  
Brother Ron Jacobson, SW

### From the South...

Brethren, I hope everyone had a great Holiday Season and I wish all a very Happy, Healthy, and Prosperous New Year. 2008 promises to be a very busy year both in our Lodge and in the

District as well. The Grand Master is visiting our Lodge in February and Virginia Beach Lodge in August just for example. We have many candidates in the wings to be passed and raised in the near future and some exciting times are planned ahead.
